## AGENDA ITEM COVERSHEET

**Agenda Item Title:** Disposal of old map storage hardware and shelving

**Department:** Assessor's

**Requested Agenda Date:** February 17, 2015

**Contact Person:** Steve Jansen

**Phone/Ext.:** 541 396-7901

**Background and description of need or problem:**

Assessor's Office recently replaced ~40-50 year-old plat map storage shelving units with new vertical hanging file cabinets. The old units were single-use items, suitable only for storing large paper files in heavy covers. As far as I can determine, salvage value is zero.

Other County Departments contacted were not interested in cabinets or covers. The Coos Historical Society has expressed interest in receiving two small units and about 50 binder covers if donated. The remaining large cabinet will be disposed of as scrap.

**Funding Source:** None

**Requested Action:** Request Board approval to dispose of the old storage cabinets, rollers, and binders.

**Date:** February 10, 2015

**Signature of Dept. Head:** 

If this is a Human Resources issue, forward to the Treasurer who will forward it to Human Resources. For all other matters, forward the document to Counsel **no later than the Monday prior to the Agenda deadline**. Counsel will forward to Treasurer.

To: Board of Commissioners  
Re: Disposal of old map storage hardware

Dear Commissioners Main, Cribbins, and Sweet,

Recently, this office has changed storage systems for the large plat maps drawn and maintained for the county. Approximately 3500+ individual maps were formerly stored in 50+ individual hinged, hard-bound and some soft-bound covers in two different locations of our office: one set in the Cartography department, and another set at the front customer-service counter. Today, they are stored in suspended vertical file cabinets as single pages rather than in books of 60-100.

I have checked with other County Departments (Surveyor, Road, Forestry, Clerk, Maintenance, etc), and none have a need for the remaining old cabinets or covers. Other than the original intended use as storage cabinets, there is no apparent use for them.

The Coos Historical Society has expressed an interest in taking the two small units (Coos County Inventory #'s 03824, 03825) for use in the new museum if we will donate them. Included would be two cabinets and about 50 binder covers.

In addition, to remove the larger single cabinet in the Cartography Department, we had to disassemble it into a large single case and individual roller trays/shelves inside. The large case has already been transported to the recycle area at the Road Department. It had no inventory tag.

I would like your approval to dispose of the old storage cabinets, rollers, and binders. As far as I can determine, salvage value is zero. Please see attached photos 1-11. Photo 12 shows the removed (metal, not brass) roller trays. I'd like to donate those (some broken, mostly operable) rollers to interested citizens or employees who are willing to transport them away, otherwise recycle as scrap.

Sincerely,

Steve Jansen  
Assessor
