)

RESOLUTION 2015-____

WHEREAS, the Klamath County Board of Commissioners recognize that the first and last protectors of the United States Constitution are the individual citizens of the United States, and the ability of the citizens to fulfill that role rests in large part on the citizen's right to bear arms as guaranteed within the Second Amendment of the Constitution; and

WHEREAS, Klamath County Board of Commissioners supports these rights as interpreted by the United States Supreme Court and opposes any current state or federal laws that unconstitutionally restricts the citizen rights held within the Second Amendment; and

WHEREAS, Klamath County Board of Commissioners opposes any additional state or federal laws, regulations or restrictions on the Constitutional Rights held within the Second Amendment; and

WHEREAS, the criminal element does not follow the laws currently in place, therefore, creating additional restrictive laws will do nothing to increase compliance, but will increase the work load on law enforcement; and

NOW, THEREFORE, IT IS HEREBY RESOLVED that the Klamath County Board of Commissioners opposes the use of any County resources, including but not limited to, funds, employees, buildings or any other resources in the enforcement, promotion or support of any additional state or federal laws, regulations or restrictions on the Constitutional Rights held within the Second Amendment; and;

DONE AND DATED this ____ day of February, 2015.
