**JEFFERSON County State of Oregon
2nd Amendment to the Constitution of the
United States of America
Preservation Resolution**

Section 1.

THE PEOPLE OF JEFFERSON COUNTY FIND THAT:

Whereas the Declaration of Independence states that people are "endowed by their Creator with certain unalienable Rights, ...to secure these rights, Governments are instituted among Men... deriving their just powers from the consent of the governed."

Whereas it is the natural tendency of civil government to expand beyond the limits of its rightful Constitutional charge to and to usurp authority and power which has not been given to it through the delegated consent of the governed.

Whereas whenever the ends of government are perverted, public liberty is manifestly endangered or threatened and all other means of redress are ineffectual, the People may, and of right ought to, reestablish the original spirit of Constitutional liberty.

Whereas non-resistance against arbitrary power and oppression is absurd, slavish and destructive to the good and happiness of mankind.

Whereas John Adams wrote in Dissertation on the Canon and Feudal Law (1765): "*I say RIGHTS, for such they (the people) have, undoubtedly, antecedent to all earthly government, - Rights, that cannot be repealed or restrained by human laws – Rights, derived from the great Legislator of the universe.*"

Whereas the Supreme Court found in *Miranda v. Arizona* – page 384 U.S. 491: *“Where rights secured by the constitution are involved, there can be no rule making or legislation which would abrogate them.”*

Whereas Justice Thomas M. Cooley in *People v. Hurlbut* 24 Mich. 44, page 108 (1871) surmises: *“The State may mould local institutions according to its views of policy or expediency; but local government is matter of absolute right; and the state cannot take it away.”*

?

Whereas the Constitution of the United States is the Supreme Law of the Land.

Whereas the Second Amendment to the Constitution of the United States of America states: *“A well-regulated Militia being necessary to the security of a free State, the right of the People to keep and bear Arms, shall not be infringed.”*

Whereas the Supreme Court, in the *District of Columbia v. Heller* (2008) decision, affirmed the right to keep and bear arms is unconnected to any service in a militia;

Whereas the Supreme Court, in *United States v. Miller* (1939), opined that firearms that are part of ordinary military equipment, with use that could contribute to the common defense, are protected by the Second Amendment;

Whereas The Ninth Amendment to the Constitution of the United States of America states: *“the enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people,”* – protects ancillary rights that are closely related to the right to keep and bear arms protected by the Second Amendment; including the right to manufacture, transfer, buy and sell firearms, firearm accessories and ammunition. Hereinafter these shall be referred to as *“ancillary firearm rights.”*

Whereas the Tenth Amendment to the Constitution of the United States of America states: *“The powers not delegated to the United*

States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people.”

Whereas Article 1, section 27 of the Constitution of the State of Oregon states: “The people shall have the right to bear arms for the defense of themselves, and the State, but the Military shall be kept in strict subordination to the civil power.”

Whereas Article 1, section 33 of the Constitution of the State of Oregon states: “This enumeration of rights and privileges shall not be construed to impair or deny others retained by the people.” This section protects ancillary firearms right that are closely related to the right to keep and bear arms protected by Article 1, section 27 of the Constitution of the State of Oregon.

Whereas the Fourteenth Amendment to the Constitution of the United States of America, Section 1 states: “No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.”

Whereas the Fourteenth Amendment to the Constitution of the United States of America further guarantees the fundamental freedoms relating to the firearms, protected by the Second, Ninth, and Tenth Amendments, against infringement by state and local governmental action.

Whereas it is apparent that most current or proposed federal mandates, such as the Presidential Executive orders of 2013, two more introduced this month, and other acts, laws, orders, mandates, rules or regulations regarding the restriction or confiscation of firearms, firearm accessories or ammunition, violate the Second, Ninth and Tenth Amendments to the Constitution of the United States of America.

Whereas it is apparent that most current or proposed state bills, such as the defeated HB3200 of 2013, recently introduced draft LC 154, and other state acts, laws, orders, mandates, rules or

regulations regarding the restriction or confiscation of firearms, firearm accessories or ammunition, violate the Fourteenth Amendment to the Constitution of the United States of America, and Article 1 sections 27 and 33 of the Constitution of the State of Oregon.

Whereas it is therefore the duty of the People of Jefferson County, through the agency of the lesser magistrates – local elected official and Sheriff – to challenge the civil government when and where it exceeds or threatens to exceed its bounds.

Section 2

THEREFORE, THE PEOPLE OF JEFFERSON COUNTY DO RESOLVE AS FOLLOWS:

A. This 2nd Amendment Preservation Resolution:

To preserve the right of the People of, on and in Jefferson County to:

B. These rights are retained by the People and protected by the aforementioned Constitution of these United States, and the Constitution of the State of Oregon.

C. Any regulation of the right to keep and bear arms or ancillary firearms rights that violate the Second, Ninth, Tenth or Fourteenth Amendments to the Constitution of the

United States of America, or Article 1, sections 27 and 33 of the Constitution of the State of Oregon, as articulated herein, shall be regarded by the People on and in Jefferson County as unconstitutional; a transgression of the Supreme Law of the Land and its spirit of Liberty, and therefore by necessity ***void ab initio***.

D. The People on and in Jefferson County do resolve by this instrument that:

The Jefferson County Government will not authorize or appropriate governmental funds, resources, employees, agencies, contractors, buildings, detention centers or offices for the purpose of enforcing any element of such acts, laws, orders, mandates, rules or regulations, that infringe on the right by the People to keep and bear arms, including, but not limited to the following:

d) Registration and background check requirements beyond those customarily

required at time of purchase prior to December 2012;

e) Restrictions prohibiting the possession, carry or transport of lawfully acquired firearms or ammunition by law abiding adult citizens or minors supervised by adults.

(1) Prohibit the possession of firearms by certain felons per ORS 166.270;

(6) Prohibit the possession of firearms to certain convicted domestic violence perpetrators under the Gun Control Act of 1968.

E) It shall be the duty of the Sheriff of Jefferson County to determine as a matter of internal policy and county concern

per ORS 203.035, whether any federal, state or local regulation affecting firearms, firearms accessories and ammunition, that is enforceable within his/her jurisdiction, violates the Second, Ninth, Tenth or Fourteenth Amendments to the Constitution of these United States, or Article 1, sections 27 and 33 of the Constitution of the State of Oregon, as articulate herein. The Sheriff will use pro bono legal advice as available.
