Dear Gun Owner:

I am writing to urge you to make a generous donation to the Oregon Gun Owners Political Action Committee (OGO-PAC). Donations to the OGO-PAC go toward supporting pro firearms candidates running for Oregon's House and Senate. If you wish your tax credit contribution to be used for this year, your check must be dated no later than December 31, 2012.

Under Oregon tax laws, contributions to registered political action committees qualify as a tax credit against your Oregon income tax liability. This means that if you are subject to Oregon's income tax, your contribution to the OGO-PAC qualifies you for a 100% tax credit against your Oregon income tax liability (up to \$50 on a single tax return or \$100 on a joint tax return).

The OGO-PAC is a non-partisan, non-doctrinal political action committee registered with the Oregon Secretary of State that has been active in every election cycle since 1975. The OGO-PAC is one of the most efficient in that it has no paid employees. Moreover, for the last few election cycles, including this year, printing and postage have been donated and taken as an "in-kind" donation. This means that close to 100% of your donation is available to help elect pro firearms candidates to the Oregon Legislature.

To claim your tax credit, simply write "political donation" on the "other" line of the tax credit section of your income tax form (long or short) and then subtract that amount from your tax liability. Again, the check must be dated no later than December 31st to qualify for the tax credit for 2012.

In the past, I have taken calls from gun owners who state they cannot send a large donation. What is important is that you send something, whether it is \$5, \$10, or \$20, as it all helps. Remember: the guns you save may be your own!

Please send your generous contribution today to:
OGO-PAC, P.O. Box 83479, Portland, OR 97283

Sincerely,

John T. Nichols
