

At the request of City of Ashland Council members who wish to see just what the response to an unwarranted and unnecessary infringement of The People's natural right to bear arms would look like, LIBERTY! Ashland and Oregon Firearms Federation (OFF) declare:

SATURDAY MARCH 29th 2014

10 am to 2 pm

ASHLAND OPEN (CARRY) DAY

All peaceful and law abiding citizens and residents (from near and far) who are concerned with the trend of (all levels of) Government attempting to solve non-existent problems with ordinances and laws that are divisive and intolerant, and a clear infringement of liberty, may wish to **join local residents Openly Carrying firearms and exercising their rights!**

Participants are invited to:

1. **Wear Red** – help make a visual statement too, Red is LIBERTY! Ashland's color of choice.
2. **Visit with locals** in Lithia Park for a Brunch BBQ between 10 am and 12 noon to,
 - a) Sign our counter petition, and
 - b) Make a donation of canned and/or dried food that we can donate to the Ashland Food Bank in the name of lawful gun carrying residents, and
 - c) Enjoy a free bite to eat (if you're Open Carrying!), and
3. **Be polite** and courteous with all you meet, and be prepared to explain why this matters to you in a way that even the most fearful *hoplophobe* can hear and understand! This is a chance to win friends and allies not make enemies or alienate our friends and neighbors, and
4. **Expect the APD to treat them respectfully**, something they have a good reputation for amongst the Open Carry community. And to treat them with the same level of courtesy you expect from them if they make contact with you.
5. **Be safe.**
